Premium Sessions

Fun. Unique. Different.

The Boulevard

\$350

We live in one of the most exciting cities on the planet. People travel thousands of miles for a visit to the strip! So why do you want senior photos done at the park across the street?!

The Boulevard Session can be either during the day or the night on the strip. It also includes our basic 30 minute session at a location of your choice for even more variety!

BIG City Life

\$525

Our biggest session yet! Enjoy a daytime session on the strip and also an evening session, plus a 60 minute session to show off more clothing choices, hobbies, and just more of YOU.

That's A LOT of photography! We might need to split it up into multiple days if we need to...oh, did we mention that we'll throw in 50 grad announcements?

Let's have some fun!

Great Outdoor

\$150

Being in the big city, we sometimes forget we live in a beautiful desert. Experience your portrait session at Red Rock or Calico Basin with stunning red mountains, and tall grass. What about Hemenway Park with a gorgeous view of the lake. Nelsen's Landing? Maybe you're thinking the dry lake? Oh, the possibilities!
